from Mallewaram to the Fort. Mr Seshaiyangar complained that the rooms in Mrs Narahari's house were ill ventilated and not commodious. But the present Dr. Orpen pointed out grounds which it seems preferable to shift the office to the 3rd. Financially, the proposal involves an outlay of Rs 60/- per mensem.

Offg. Inspector-General of Police in Mysore.

To

D. M. Narasinga Rao, Esqr., B.A. B.L.,
Secretary to the Government of His Highness
the Maharaja of Mysore, General Department.

Sir,

Adverting to Government Order No.J.4015-16/Police 242-14-15 dated 7th April 1916, according sanction to Mr. Byannah's house in Malleswaram being taken up for the office of the Inspector General of Police, on a monthly rent of Rs.150, I have the honour to state as follows -

2. In accordance with the orders of Government, the building was taken up on 15th May 1916 and the office of the Inspector General of Police has been located therein from the above mentioned date. Since the building was taken up, the Government have sanctioned the appointment of a full-time officer to be in charge of the State Railway Police as also the C.I.D., Finger Print Bureau and the Criminal Tribes Section. The last three, though in immediate charge of the Railway Superintendent, practically form part of my office and require my constant and personal attention; and it is therefore very necessary that the Railway Superintendent's Office should be located in the same building as my office or should at least be in close proximity to mine. The accommodation in Mr. Byannah's house is quite inadequate for the office of the Railway Superintendent along

Requesting sanction to re-shift the Office of the Inspector-General of Police from Malleswaram to Fort etc

with that of the Inspector General of Police and I have not been able to find any other suitable building for the former, close to my office.

3. The Police Inspector General's Office was shifted from Mr. Lakshminarasimha Rao's bungalow in the Fort, chiefly with a view to utilize it for the Police Training School hostel. It has however, since been ascertained that Mr. Lakshminarasimha Rao is not willing to have the Police Training School students housed in the bungalow and would rather have the lease cancelled than allow such use. In consequence, it has not been possible to make full use of the building for hostel purposes, though we are paying a heavy rent for it.

4. My Office Assistant is in charge of the Provincial Reserve which is quartered in the Fort; and with the office at Malleswaram, it is not possible for him to maintain efficient supervision over the Force. It is also equally impossible for me to keep in close touch with and exercise effective supervision over the working of the Police Training School located in the Fort. What is more, it is a great hardship to the clerks to have the office situated at a place so far distant from their homes. Of the 33 clerks in my office, with the exception of 2 persons living at Malleswaram and 1 at Sheshadripuram, all the rest live either in the Southern extensions or in the City. These have therefore to walk from 4 to 6 miles to reach the office and one can very well imagine how far they would be fit for work after such a long walk after breakfast. In order to overcome all the above mentioned difficulties, I would suggest that my office be shifted back to its old habitation in the Fort. While containing the same accommodation as my present office at Malleswaram, it has the advantage of having bigger rooms better suited for office purposes than the small, though numerous, rooms of the latter. In particular, the accommodation for the stores in the present office building is most unsatisfactory, as they have to be scattered in a number of poky little rooms with the result that it is almost an impossibility to keep the articles in order. The accommodation

6)

available for the purpose in the old office building in the Fort is greater and better arranged. If the office is shifted to the Fort, the Railway Superintendent's office may be located in a small bungalow belonging to Mr. G. Aravamudiengar which is situated almost opposite to the old office and is available for rent. For the hostel, Rama Mandiram (belonging to the late Mr. A. Rangaswami Iyengar) which is situated to the West of the old Palace in the Fort and a small building (also belonging to the same owner) and situated immediately behind the old office may be engaged. This arrangement will really be more satisfactory than the present one, as the students could then be grouped into 3 different hostels, one for Hindu vegetarians, one for Hindu non-vegetarians and the third for Mohamedans. All the three hostels would be in close proximity to one another, to the School and to the Chief Office. Financially also, the arrangement would be more advantageous. The rent for Rama Mandiram is Rs.60, for Mr. Aravamudiengar's bungalow Rs.40, and for the small building behind the old office Rs.30. making a total of Rs.130 for all the three buildings. The rent of my present office building is Rs.150 and a building for the Railway Superintendent's office would cost at least another Rs. 40 per mensem. The proposed arrangement will thus result in a savings of Rs.60 per mensem or Rs.720 annually.

5. I find that no lease has been executed ~~in favour of the Government~~ in favour of the landlord of my present office building. The occupancy may therefore be terminated at any time after a month's notice.

6. In the above circumstances, I request that you will be so good as to obtain sanction of Government for

i. shifting the office back again to its old place in Mr. Lakshminarasimha Rao's bungalow in the Fort;

ii. taking up Mr. Aravamudiengar's small bungalow adjoining his house on a monthly rent of Rs.40 for the office of the Superintendent, Railways and C.I.D;

iii. taking up Rama Mandiram and the old building behind Mr. Lakshminarasimha Rao's bungalow for a monthly rent of Rs. 60 and 30 respectively, for the Police Training School hostel.

(7

7. As there are other offers for the above mentioned buildings, the owners wish to know without delay in case they are required for Government purposes. I therefore request that the orders of Government in the matter may be kindly obtained and communicated to me at a very early date.

I have the honour to be,
Sir,
Your most obedient servant,

Offg. Inspector General of Police.
